

## **Anastasia De Sousa**

IN MEMORIAM ANASTASIA De SOUSA June 3, 1988 -  
September 13, 2006

Four years have passed, Yet I feel like it was just yesterday I told you good night. Your presence is constantly filling the air around us, Whether it's by memory, the familiar scent of your perfume, Or a person walking by that for a split second looks like you. You will never leave our minds and hearts and although it's weird to say, we can feel you watching, protecting and being here for us every second of the day. I don't think it's fair to say we Loved you, but rather that we Love you still, for everything that we do in the present and future is for You. Sometimes when I hear a song that we shared or watch a movie you would have liked, on occasion makes me cry, Know that it is not because I'm hurt, but because your memory lives on forever. Though my laughing and crying may seem sad, I know that you are happy that I am able to do so. You are my strength, weakness and love. Thank you for everything and may you Rest in peace with the Angels above. Miss you forever, Mom, Dad, Sarah, Nicholas, Picasso and family.
